EAST ANGLIAN DAILY TIMES CYCLO-CROSS LEAGUE 2005-6

There's never been a more rewarding time to join the Eastern Cyclo-Cross League. In 2005-6 senior/junior/veteran and women riders will get a £1 discount at every League event (except the regional championships). That's a potential £7 saving if you ride every League event. And at the end of the season you could figure in the extensive League cash prize list too.

Once again we are pleased to have overall sponsorship from the **East Anglian Daily Times**, ensuring the high standard of race organisation is maintained which make it what we believe is the premier cyclo-cross league in Britain. Every promotion will once again have to meet the following standards:-

- The main event shall have a gridded start with positions being determined by the Commissaire and based on League standings, recent race results in the Eastern League and National Rankings.
- League events shall have one double or one single pit. Equipment changes can only be made in the pits and at no other point during a race.

- Each promotion will have the following prize list:-

	1st	2nd	3rd	4th	5th
Senior	£20	£15	£12	£10	£9
Junior	£10				
Women	£10				
Veteran	£12	£10	£9		
Youth	£10	£7	£5		
Under 14	£7				
Youth Girl	£7				
Novice Women	£7				
Under 12's	Certificates				

- An independent Cyclo-Cross Commissaire at every race.
- An appointed First Aider at every meeting,
- Public toilet facilities and clean water located not further than ½ mile from the course.
- A common numbering and signing on system.

Each race result is displayed on the Leagues website and at the majority of the races the exclusive "LAP-O-METER" operates which means you can view the website and compare your lap times with others around you. The website contains the up-to-date league rankings.
